

***Beth El Congregation's Sisterhood Book Club has been in existence since 1998. It began as Jewish women reading Jewish female authors exclusively, alternating between fiction and non-fiction. In 2003, the group agreed to include male authors, but the emphasis continues to be on female writers. Also, since 2003, Beth El's library has a complete list of books read over the years, as well as copies of many donated by participants. The group meets approximately six times each year, on a Sunday morning or evening.
